

## SUPPORT TARATON

- Full Hose instantly available by a simple downward pull of the hose.
- Hose is stored close to walls or columns to minimize damage from mobile equipment.
- Few bends in hose, and bends are of large radius to prolong the life of the hose.
- Will accommodate lined and unlined hose from 1 inch to 2 1/2 inch size.
- Has low initial cost and its easy to install.
- Constructed of strong good-looking aluminium alloy castings for long trouble-free life.

### Hanger Spacing Table

The following table shows the approximate required distance between the upper spring-loaded hanger and the lower hanger.

Total Loops	Hose Length		
	50 ft	75 ft	100 ft
2	12 ft	--	--
3	8 ft	12 ft	--
4	6 ft	9 ft	12 ft
